

I understand that
Sinclair
Broadcasting has
decided to force
their stations to
broadcast an
anti-Kerry
documentary just
before the election.

If so, it is a
clear misuse of
public resources.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. They are
violating that
trust.

The FCC is our only
defense against such
violations. Won't
you please do your
job?
